

Grahaganita jy. B. 4, 124.
Kovidānanda. Quoted in Trivenikā.
Trivenikā or Çabdatrivenikā. This last work as well as the Advaitaviveka and the Kovidānanda belong most likely to a later Āçādihara, as in the Trivenikā not only Mallinātha but also the Siddhāntakaumudī are mentioned.
