

*chaser*: Mv ii.242.4 sakuntakānām krayiko, 6 śakunta-krayiko; Divy 505.6 māmsasyā krayiko.)

**krāyaka**, m. (Skt. Lex. id.), *purchaser*: Śikṣ 38.3 °kām na labhate; 8, 12; AsP 497.17 °ko labdho. Cf. prec. and next.

**krāyika**, m. = **krayika**, **krāyaka**: Divy 505.8 yatra krāyiko 'sti (cf. krayika in 6 above).

**krīṇati**, **krīṇeti** = Skt. krīṇāti; see § 28.5.

**Krimila**, (1) n. of a mountain: Māy 253.32; (2) n. of a maharśi: Māy 257.5.

**kriyā** (not in this sense in Skt., nor so far as I have found in Pali; the definition *promise*, *vow*, given PTSD s.v. kriyā 1(b), is not supported by a careful study of the few passages cited), *decision*, *determination*: Mv i.310.6 (cf. līne 8 and Senart's note p. 602) eṣa brāhmaṇapariśaya kriyā anuparivartitavyā, *this decision of the brahman-assembly must be followed* (observed, concurred in); SP 186.6–7 etām kriyām śroṣyanti, *they will hear this decision* (determination, viz. what is then stated, that there is only one nirvāṇa). Cf. **kriyākāra**, **kriyābandha**, in which kriyā seems to have this same mg.; neither of them has been recorded elsewhere. In MSV ii.109.8, 16, kriyāhṛta (kriyā-āhṛta), with läbha, kriyā is short for **kriyākāra**, *agreement*; note kriyākāram kṛtvā, 17.

**kriyā-kāra**, m. (cf. **kriyā**, and next), lit. *the making of a decision, determination; so, resolution, agreement*; = pratijñā, Mv iii.329.9, below; commonly as object of a form of kṛ (or subject of a passive thereof), of *making a resolution or agreement*; also with anu-rakṣ, *keep an agreement*, and bhid-, ud-ghāṭay-, or ud-ghāṭay-, *break it*: LV 407.18 kriyābandham (see next) akārṣuh (pañcācā bhadravargiyāḥ), *made an agreement* (to the effect stated in the following quotation), followed 408.17 by kriyākāram (v.l. kriyām) bhittvā, *breaking their agreement*; in account of this same incident Mv iii.329.3 kriyākāram (mss. °kālām) karonti (bhadravargiyāḥ), but below 329.9 bhagnā . . . pratijñā, *the agreement (promise) has been broken*; Divy 6.8 °ram tāvat kurmaḥ; 32.10; 33.8 ff.; 128.6, 9, 28; 129.9; 130.5 f.; 136.8; 203.20; 338.13 f.; Av i.83.10; 88.8; 90.13 udghāṭyatām kriyākārah; ii.53.10; 136.5; 154.3; Kv 56.24 (misprinted kriyākāram); 58.1, 3, 14; Bhb 162.5 °kāram anuraksataḥ (gen. sg. pres. pple.); 176.8 °kāram anuraksitukāmasya, et alibi; MSV iv.133.1, 3 (wrongly Dutt p. xvi).

**kriyā-bandha**, m. = **kriyā-kāra**, q.v.: LV 407.18 (cited in prec.).

(**kriyā-lakṣaṇa-vinivṛttam**, ep. of the Buddha, Laṅk 12.5, acc. to Suzuki *who keeps himself away from work and form*; better, *who is freed or turned away from (even) the appearance (or characteristic mark) of activity*.)

**kriḍaka**, adj. or subst. m. (= Skt. Lex. id.), *playing, (one) who plays*: SP 89.10 (vs) vrajanti kriḍakah, *they go (in all directions) playing (with the toy-carts)*; or, perh. better, *to play* (§ 22.3).

**kriḍanikā**, rarely °nakā, with or without dhātri (cf. AMg. kilāṇa-dhāī, and also **kriḍāpanikā**, s.v. °naka), *a nurse who amuses* (plays with) an infant, regularly as one of four kinds of nurses: with dhātri, Mvy 9481; in a cliché, Divy 99.26; 271.20; 441.23; Av i.15.12 (very often); MSV i.132.21 and ('nakā) iii.134.8; without dhātri, in same cliché, Divy 3.13; 58.13; Av i.219.10; 346.5; 360.1, and in some other places (but less often). See s.v. **ksīra-dhātri**.

**kriḍāpana**, nt. (= °panaka, q.v.), *plaything*: SP 86.5 (vs) putrān kriḍāpanaiḥ kriḍana-sakta-buddhīn. So KN without v.l.; but WT with their ms. K' kriḍāpanaka-kriḍana°, which is also possible metrically.

**kriḍāpanaka**, (1) nt. (= Pali kilāpanaka). Skt. only kriḍanaka), *toy, plaything*: Kashgar rec. and 1 Nep. ms. at SP 74.1 (prose; ed. kriḍanaka); Mv ii.434.1–4; 475.7; (2) m., of animals and men, *plaything, animal or person to be used for amusement*: SP 94.6 (vs) sudurbalāḥ śvānaśrgāla-

(Cf. AMg. kilāṇa-dhāī, beside kilāṇa-dhāī.)

**kriḍāpanika**, nt., = °panaka (1), *toy*: Divy 475.18 °kāni bhavanti, tad yathā, akāyikā etc. (these are toys, not games as stated in Index). For °nikā, fem., see s.v. °naka.

**kriḍyaka** (m. or nt.), *game, sport*: Mv ii.172.3 (prose) puṣkarinīm otīṇodaka-(so mss., Senart em. otīṇā udaka-) -kriḍyakehi (v.l. -kriḍantehi) kriḍitum.

**kruñcati** = **kroñcati**, **krauñcayati**; see s.v. 2 **krauñca**.

**krudhyana**, see **akrudhyana-tā**.

[**kruhi**, Mv i.280.14 and ii.405.15, so Senart with mss.; but read brūmi in both. Note that mss. at ii.405.15 point to (a)ham as subject. In a number of other places the Mv mss. read kruhi or krumi (ii.50.2, 12; 51.2, 12; 52.4; 181.16; 193.10; 256.15; 294.13; 482.12; iii.17.18; 214.4), but Senart always em. brūhi or brūmi; also in i.307.1 mss. krutha, Senart em. brutha, intending brūtha. Sometimes a corresponding Pali passage proves the emendation right, e. g. Mv iii.214.4 = DN ii.242.16 brūhi; Mv ii.50.2 = Jāt. v.387.21 vadāmi (Mv brūmi). In my opinion Senart should have made a clean sweep of these erroneous forms and adopted brūmi in i.280.14 and ii.405.15.]

1 **Krauñca** (cf. Kirfel, Kosm. 108), m. pl., n. of a people, mentioned with Sākyas: MSV ii.16.18. One is tempted to emend to **Koliyāḥ**; but Tib. is cited as kruṇ kruṇ (q.v. in Das) ba rnams daṇ, which seems to support text.

2 **krauñca**, **krauñca-nāda** (m.; Sktized for Pali koñca-nāda, see s.v. **kroñcati**; perhaps read kroñca-nāda), the *trumpeting of an elephant*: MSV iii.16.11 hasti-krauñcam api kruñcataḥ (dual); Mv iii.256.1 hastināḥ krauñcanādaṁ muñcanti (but v.l. kroñcaśabdām nādanti).
